I jumped aboard a pirate ship and the captain said to me,

G

“Going over, going under, stand at attention like a soldier,

With a one, two, three!”

When I was two I tied my shoe.

When I was three I drank some tea.

When I was four I shut the door.

When I was five I took a dive.

When I was six I played with sticks.

When I was seven I looked to heaven.

When I was eight I hopped the gate.

When I was nine I did just fine.

When I was ten I did it again!
